Council Members

I am calling a special meeting on January 8, 2024 at 7:00 pm in the Council Chambers to discuss the possibility of raising the percentage of the match for the MDARD Grant. The proposal came in just over the \$162,000, if we raise the 40% match to 62% we may have a better chance of receiving the grant. Councilmember Enerson made the motion to approve the 40% but if she is willing to adjust her motion to the 62%, we can send the resolution with the grant application on Tuesday, January 9th. We need everyone there to make this happen.
