City of Hudson, Michigan

Facebook page

Let It Snow, Let It Snow, Let It Snow

Sidewalks must be cleared of snow and ice within 12 hours after it snows

2017

Dog Licenses

Dog licenses are available to purchase at the City Hall. You must have a **current Rabies Vaccination Certificate** and the cost is \$10.00 per license until February 28, 2017. Licenses purchased between March 1, 2017 and October 31, 2017 will be \$20.00. As a reminder, it is a violation for any person to have an animal within his ownership, possession or control, which runs at large anywhere out of doors in the city. No person shall have any animal out of doors in any place unless the animal is on a leash held by a person able to control the animal. No animal shall be permitted to discharge its excreta upon any public or private property, other than the property of the owner, unless such person immediately removes and cleans up such animal's excreta from the public or private property. Any person who is found in violation of the above, will be responsible for a municipal civil infraction subject to a civil fine of not less than \$50.00 or more than \$500.00 plus costs and other sanctions for each infraction.

Snowmobile Rules in the City of Hudson:

- May not operate upon the land of another without their consent
- May not operate on the City Trails, within Maple Grove cemetery, a public or private parking lot, or within 100 feet of a sledding, skiing or skating area
- May not pass within 100 feet of a dwelling between midnight and 6 a.m. at greater than minimal speed
- May not be operated by someone under the influence of drugs or alcohol

Snowmobiles

of the road ONLY
with the flow of traffic**

- **Violators will face up to a \$100.00 fine and up to 90 days in jail.**

Our Public Works Department will remove your Christmas tree for you! The tree should be placed at the curb with all nails and decorations removed.

Trash on Holidays

Refuse will be picked up on Wednesday.

- Memorial Day
- 4th of July
- Labor Day
- Christmas Day
- New Years Day

PUBLIC NOTICE

Do not flush baby wipes they contribute to sewer line backups.

HUDSON'S FOOD PANTRY

The food pantry is located at 211 Mechanic Street and is operated by the Hudson Ministerial Association.

Hours of operation are every Tuesday and Thursday, from 11:00 am to 1:00 pm

A simple sign-up form is all that is required to obtain the once a month service. Depending on how many members a family has, they are allowed 1-3 bags, plus frozen meat.

To obtain more information please call Pastor Wesley Rowan at 448-6411. Monetary and food donations are welcomed & needed. The address for mailing donations is: Hudson Ministerial Association
P.O. Box 67
Hudson, MI 49247.

Planning Commission 6:30 P.M.

January 23, 2017
February 27, 2017
March 27, 2017

Financial Audit

The City Audit, which by law must be done each fiscal year, was completed by the Philip R. Rubley CPA Firm for the fiscal year ending June 30, 2016. The results were reported to the Hudson City Council on October 06th with a copy sent to the State of Michigan Treasurer. An unqualified opinion on the City of Hudson's financial statements has been issued. This means we have received a clean opinion with no reservations, which is the highest rate that can be rendered by the auditing firm. The audit is available for public review at City Hall by contacting City Treasurer, Marcia J. Willett.

Carbon Monoxide The Silent Killer

The winter months are here. As the Mercury begins to dip, some families, struggling to pay their heating bills, will turn on the kitchen stove burners, the oven, space heaters and generators, in an effort to take the chill off of their home. Often called a silent killer, CO is an invisible, odorless, colorless gas created when fuels, such as gasoline, wood, coal, natural gas, propane, oil and methane, burn incompletely. The goal of the **Hudson Fire Department** is to reduce or eliminate the number of carbon monoxide incidents in the **Hudson Area** and discourage anyone from using the range, oven or other unsafe methods to heat their home. Install CO alarms inside your home to provide early warning of accumulating CO. Have your heating equipment inspected by a professional every year before cold weather sets in.
