This booklet contains a return and the instructions for filing your City of Hudson income tax return. We recommend you read all of the instructions carefully before completing your return.

WHO MUST FILE A TAX RETURN

1. Every resident of Hudson whose gross income was \$1,000 or more from sources listed under "What is Taxable Income-Resident" must complete and file a return.
2. Every non-resident individual whose gross income was \$1,000 or more from sources listed under "What is Taxable Income - Non-Resident" must complete and file a return.
3. If you filed a Declaration of Estimated Tax for the current year you must file an annual return even though there is no change in tax liability.
4. If you wish to claim a refund because the tax withheld or paid is more than the tax due, you must file a return.
5. Each partner in a partnership is required to file his own individual return unless the partnership as such elects to file and pay the tax for all the partners. In the latter case the partner may take credit on line 9 for tax payments made by the partnership on his behalf.
6. Estates and trusts, partnerships and corporations must file if they have income subject to City of Hudson Income Tax but are to use the forms provided for their use, along with their separate instructions.

RESIDENCY

A HUDSON RESIDENT is a person domiciled in Hudson. "Domicile" means a place where a person has his true, fixed and permanent home. A NON RESIDENT is a person domiciled outside the city.

CHANGE OF RESIDENT STATUS

Any person whose residence changed either from a resident to a non-resident or a non-resident to a resident during the taxable year will file according to the instructions from Schedule B.

MARRIED PERSON - JOINT OR SEPARATE RETURNS

Married persons may file either a joint or separate return. Residents filing jointly must include all income of husband and wife. Non-residents filing jointly must include Hudson earned income of both husband and wife. If you file jointly, both names must be listed in the heading and both must sign the return. If you file separately, dependents can only be claimed by the spouse who would be entitled to claim such dependents under the Federal Internal Revenue Code.

DECEASED TAXPAYERS

A return for a taxpayer who died during the taxable year should be filed on the same basis as he would have filed if he had lived. If a refund is due on the return and the check is to be made payable to persons other than the surviving spouse, a letter of explanation should be attached.

DUE DATE AND EXTENSIONS

Your return is due on or before April 30th or within four months after the end of your fiscal year accepted by the Internal Revenue Service.

WHAT IS TAXABLE INCOME

Hudson residents are required to report the following kinds of income which are taxable to the same extent and on the same basis as subject to taxation under the Federal Internal Revenue Code.

1. Wages, salaries, bonuses, commissions, fees, tips, and gratuities, including wage continuation pay, vacation pay, sick pay, severance pay and other compensation, including deferred compensation REGARDLESS OF WHERE EARNED.

An extension for your city return is automatic if you have been granted an extension for your Federal 1040 and you submit a copy of it to the Hudson Income Tax Division by the date your city return was first due. Extension may also be granted by writing the Hudson Income Tax Division.

DECLARATION OF ESTIMATED TAX

If you expect that your City of Hudson tax will exceed amounts withheld from your pay by \$100 or more (or your income not subject to withholding will be more than \$4,000 after deduction for exemptions), you must file a Declaration of Estimated Tax, for HU-1040ES Voucher 1 by April 30th and pay at least one-fourth (1/4) of the estimated tax with your declaration or you may pay in full. Vouchers 2, 3 and 4 can be used to pay the remaining balance in three equal installments on June 30th, September 30th and January 31st. We do not send reminder notices requesting estimated tax installment payments. Please attach your payment to the voucher and place your social security number on your check. If you file an estimate you must still file an annual return. You may amend your estimate at the time of making any quarterly payment. If the estimated and withheld tax paid does not exceed 70% or more of the tax shown due on the final return, it will be subject to interest and penalty. See back of Estimate form (HU-1040ES) for further instructions. NOTE: Estimate must be filed EACH year.

AMENDED RETURNS

Amended returns should be filed on a regular City of Hudson income tax return clearly labeled as amended and the tax year applicable. Computations should show corrected amounts and include adjustments for payments made or refunds received on original return. Explanation must be included for amended returns.

TAXPAYER'S RIGHT OF APPEAL

In accordance with Section 92, City of Hudson Income Tax Ordinance, "a taxpayer or employer may file a written notice of appeal with the secretary of the income tax board of review within 30 days after receipt of a final assessment, denial in whole or in part of a claim for refund, or special ruling of the administrator". The board of review shall grant the appellant a hearing and render a decision based on evidence presented by both the city and the appellant.

WHAT MUST ACCOMPANY ALL RETURNS

All income claimed as taxable income must be supported by W2 forms, 1099's, or copies of Federal forms. NON-RESIDENTS ONLY

INSTRUCTIONS FOR PREPARING TAX RETURN

HEADING INFORMATION

First indicate tax year for which you are filing, then complete the name, address and occupation information, and be certain that your social security number has been entered correctly.

EXEMPTIONS - The same rules apply in determining the number of dependents as under the Federal Internal Revenue Code. An exemption of \$1,000 is allowed for the taxpayer, the taxpayer's spouse and each dependent.

FILING STATUS - Check appropriate box. If you are married and filing separately, fill in name of your spouse as indicated. Be sure to check whether you were a Resident, Non-Resident or Part Year Resident. If you were a Part Year Resident, use Schedule B to figure your tax liability.

INCOME

LINE 1 - Follow instruction in (1) below if you performed all (100%) of your services in Hudson. Use instructions in (11) below only if you performed part of your services in Hudson and part of your services out of Hudson.

(1) NON-RESIDENTS WHO WORKED 100% OF THEIR TIME IN HUDSON

Show on Line 1 the employer's name, address of major work site and total wages received (per form W-2) for each separate employment. The total wages include vacation pay, sick pay, etc. because all pay is judged to have the same location as the location where the employee performs his services. Example - non-resident who worked full time in Hudson, except for a two week vacation taken during the year, would report his total pay, including vacation pay as taxable in Hudson. You must attach a schedule explaining any difference if the wages reported on your return differ from the gross wages shown on your W-2 or 1099.

(11) NON-RESIDENT WHO PERFORMED ONLY PART OF THEIR SERVICES IN HUDSON

Non-residents who perform only part of their services in Hudson must fill in Schedule A headed "Computation of Wages Earned in Hudson". Line 1 of Schedule A refers to the actual number of days you were on the job everywhere during the year. You are not considered to be on the job when there is a holiday, when you are sick or when on vacation. Example - a construction worker worked 160 days in Hudson and 80 days out of Hudson or a total of 240 working days. In the above example he would show on line 2 "160" days as the actual number of days worked in Hudson. Then, by dividing the figure on Line 2 (160) by the figure on Line 1 (240) he would find the percent of time worked in Hudson to be entered on Line 3. On line 4 enter the total of your earnings everywhere for the year. Multiplying Line 4 by Line 3 will then provide the figure to be entered on Line 5 and carried forward to Line 1 of Form HU-1040.

For each job site listed on Schedule A, enter on Line 1 of the tax return the employer's name, address and the wages subject to Hudson tax from Line 5 of Schedule A.

NOTE!!! - Instead of using "days worked" employees paid on a commission basis should multiply their total wages by the ratio of commission earned in Hudson to total commissions earned. Those who cannot arrive at a percentage of income earned in Hudson based on "days worked" may substitute "hours" for "days" in Schedule A computations - as long as the percentage arrived at results in an equitable allocation and apportionment of the taxpayer's taxable income. Those individuals keeping separate records of actual Hudson earnings should so indicate on Line 5 of Schedule A.

Enter total of all wages claimed on Line 1 in the column to the right.

LINE 2A - Omit (does not apply to Non-Resident)

LINE 2B - Enter total from Page 2 PART 1, Line 9.

.....
